## **Compass Computing Group certified as Small Business Specialists**

**PORTLAND, OR - January 18, 2008** - Compass Computing Group, Inc. is proud to announce the Frank Bubenik and Robert L Phillips both passed the Configuring Windows SharePoint Services 3.0 exam and are now Microsoft Certified Technology Specialists. Passing this exam in addition to one other Microsoft exam has allowed Compass Computing Group to be certified as a Microsoft Small Business Specialist firm.

"We are very happy to gain these certifications and look forward to assisting both our existing and future clients with integrating technology into their business." said Robert Phillips, co-owner of Compass Computing Group, "We'll work with clients to help them become more efficient and profitable with the application of new technologies."
