COMPASS COMPUTING GROUP CERTIFIED BY STATE OF OREGON AS AN EMERGING SMALL BUSINESS

PORTLAND, OR - May 20, 2009 - Compass Computing Group (CCGI) has been certified by the State of Oregon as an Emerging Small Business (ESB). The certification number is 3715.

Robert L Phillips, President of Compass Computing Group, said the certification would assist CCGI in winning government contracts. While many government agencies no longer have contracts set aside for certain types of businesses, many agencies do award points for firms that are certified as ESB's.
