OREGON LOTTERY AWARDS COMPASS COMPUTING GROUP CONTRACT TO BUILD W-9 TRACKING APPLICATION

PORTLAND, OR - March 7, 2011 - The Oregon Lottery has selected Compass Computing Group to develop a web based W-9 tracking application.

The Oregon State Lottery awards a variety of promotional prizes throughout the year. The Lottery has a requirement to collect and track IRS W-9 information along with related promotional information for all non-wager promotional prizes greater than \$25.

Compass Computing Group will develop software to facilitate the collection and maintenance of IRS W-9 information from promotional prize recipients via the Lottery's public web site, oregonlottery.org.
